

Curriculum Vitae
Dana R. Reinecke, PhD, BCBA-D

A. Personal Data

Office Address: 100 West Park Avenue, Suite 210D
Long Beach, New York 11561

Phone: (917) 797-2701

E-mail: danabcba@yahoo.com

Citizenship: US

Certification: Board Certified Behavior Analyst, doctoral level
Certificant 1-02-0968

License: Licensed Behavior Analyst, New York State
License 000078-1

B. Educational History

The Graduate School and University Center of the City University of New York:
Learning Processes, Sub-Program of the Doctoral Program in Psychology

Degrees: 2005: Doctor of Philosophy
2004: Master of Philosophy

Honors: 2000: CUNY Graduate B-Line Research Fellowship
1998-99: CUNY Graduate C-Line Teaching Fellowship
1998: CUNY Graduate B-Line Research Fellowship (declined)
1997: CUNY Graduate B-Line Research Fellowship
1995: Helena Rubinstein Foundation Tuition Grant

Activities: 1999-2001: Coordination of Annual Conference on Behavior
Analysis in Developmental Disabilities
1998-1999: Student Representative, Learning Processes
executive committee
1997-1998: Student Representative, Psychology Council
doctoral program committee

Queens College, City University of New York

Major: Psychology

Degrees: 2002: Master of Arts
1995: Bachelor of Arts
Cum Laude

Honors: 1995: Honors in Psychology, Queens College
1994: Kennedy Fellowship in Developmental Disabilities, granted
by the CUNY Consortium for the Study of Disabilities
1994: Raphell Sims Lakowitz Memorial Scholarship Award

C. Professional Positions

9/15 – present Assistant Professor
9/16 – present Interim Department Chair
Long Island University – Post
Duties include: Teaching in CASE program (Concentration in Autism and Special Education) within Department of Special Education and Literacy. Working with program director and department chair to establish state-approved license-granting program. Student advisement, course development, and service to the college.

9/11 – 6/15 Assistant Professor and Department Chair
5/10 – 9/11 Assistant Professor and Program Director
9/09 – 5/10 Assistant Professor
The Sage Colleges, Center for Applied Behavior Analysis
Duties included: Oversaw multi-program department for the delivery of on-line graduate coursework in applied behavior analysis and autism. Developed and taught courses. Maintained program compliance with BACB regulations. Student advisement. Supervised full-time and adjunct faculty as well as administrative staff. Research and development in effective on-line teaching strategies. Developed new programs and initiatives, including on-line continuing education opportunities, on-line training programs, and on-line post-secondary educational opportunities for students with autism. Served on College committees and work groups.

- 7/95 – present ABA Consultant
Room to Grow
Duties include: Staff training and supervision, and planning and supervision of treatment programs for children with disabilities in inclusion and self-contained classroom settings in private schools and public school districts. Parent and family training, and program development and supervision within ABA home programs for students with disabilities. Design and implementation of social skills groups.
8/14 – present Lexington Center, Gloversville, NY
9/11 – present Wildwood School, Schenectady, NY
9/10 – present Merrick Union Free School District, NY
9/09 – 5/10 Parent Association for Special Education, Manhasset, NY
5/05 – 9/09 Massapequa School District, NY
9/04 - 6/05 East Meadow School District, NY
9/00 - 6/05 Merrick Union Free School District, NY
9/99 - 12/01 Oceanside Union Free School District, NY
4/99 - 6/99 Central Speech-Language Pathology, P.C., Hartsdale, NY
9/98 - 6/00 Rockville Centre Union Free School District, NY
9/98 - 5/00 Hewlett-Woodmere Public School District, NY
7/95 - 12/96 Suffolk County Special Education, East Hampton, NY
- 1/05 – 7/09 Dean of Students
American College of Applied Science
Crescent City, Florida
Duties included: Oversaw Student Resources services for a completely on-line licensed college providing academic and vocational training to animal behaviorists. Direct contact via phone and email with prospective, incoming, and current students; admissions counseling, academic advisement, transfer evaluations, and student problem-solving and liaison with faculty. Course development.
- 9/03 – 9/05 Psychology Intern (Pre-doctoral internship)
Merrick Union Free School District
Merrick, New York
Duties included: intelligence and other psychological testing of elementary-school students, meetings with parents and school district officials to disseminate results of testing, regular individual student counseling of students with social and emotional difficulties, assistance in conducting socialization groups for students.

- 9/96 - 5/02 Adjunct Lecturer
Queens College, CUNY
Flushing, New York
Courses: Experimental Psychology, Advanced Experimental Psychology:
Behavior Modification, Introduction to Learning and Behavior
- 1/02 - 9/05 Instructor
American Institute for Animal Science
Course: Animal Learning Processes and Behavior Analysis (on-line)
- 9/00 - 12/01 Adjunct Lecturer
Queensborough Community College, CUNY
Bayside, New York
Course: Introduction to Psychology
- 4/99 - 8/00 Behavior Analyst
AMAC at the Institute for Basic Research
Staten Island, New York
Duties included: Supervision of preschool staff, design and supervision of
implementation of all behavior treatment plans and teaching programs
for children with autism, supervision of graduate intern research, parent
training.
- 9/95 - 4/99 Applied Behavior Analysis Program Coordinator
First Step Early Childhood Center
Richmond Hill and Howard Beach, New York
Duties included: Design of a pre-school program for students with autism
and other developmental disabilities, the training of all classroom staff
and related services providers, creation and updating of all student
programs, organization and conducting of parent training program.
- 9/94 - 4/96 Program Coordinator
Room to Grow
Huntington Station, New York
Duties included: Supervision of direct care staff in home and office
behavior therapy with children with autism, parent training, design of
behavior treatment programs, scheduling and coordination of client
services, and advocacy for children with autism at the district level.

- 11/94 - 4/95 Research Assistant
Queens College Smoking Clinic
Flushing, New York
Duties included: Assisting in research regarding the effects of behavioral treatment in the reduction of smoking, conducting relaxation training exercises with clients, and analysis of data.
- 8/94 - 12/94 Teaching Assistant
Queens College, CUNY
Flushing, New York
Duties included: Proctoring exams for an advanced undergraduate behavior modification experimental psychology class and conducting original research under the supervision of the class instructor.
- 6/94 - 11/94 Group Leader/Habilitation Specialist
Queens Services for Autistic Citizens, Inc.
Astoria, New York
Duties included: Supervision and training of direct care staff in the context of an afterschool program for autistic clients. Design and implementation of individualized behavior treatment plans for these clients. Evaluation of client progress and updating of treatment plans.
- 9/93 - 5/94 Therapy Assistant
Queens Services for Autistic Citizens, Inc.
Astoria, New York
Duties included: Implementation of individualized behavior treatment plans for autistic students in the context of an afterschool program.

J. Invited Addresses

Reinecke, D. (2016). Play to learn, learn to play. Presented at the 15th annual Autism Conference, Albany, NY.

Reinecke, D. (2016). Keynote address: Technology and self-management for building

independence. Presented at the fourth annual Sage Colleges Autism Conference, Albany, NY.

Reinecke, D. (2015). 10 things you need to know before you leave home (and how to learn them). Presented at Strategies to Build Independence for Students with Autism, ADHD, and Other Learning Differences at Transitions, Gloversville, NY.

Reinecke, D. (2015). Opening doors for young adults through technology and self-management. Presented at Transitions Open House, Gloversville, NY.

Reinecke, D. & Cussins, L. (2014). Technology opens doors in the workforce for people on the spectrum. Presented at ICare4Autism International Autism Conference, New York, NY.

Reinecke, D. & Stolfi, L. (2014). Technology opens doors for students of all ages on the spectrum. Presented at ICare4Autism International Autism Conference, New York, NY.

Ala'i-Rosales, S., Anderson, S. R., Malott, R., & Reinecke, D. R. (2013). Morning panel discussion. Participated at the conference of the Association for Metroarea Autistic Children, New York, NY.

Reinecke, D. R. (2013). Using technology to support students with autism spectrum disorder in post-secondary education. Presented at the conference of the Association for Metroarea Autistic Children, New York, NY.

Reinecke, D. R. (2012). Sensory issues in ASD. Presented to the QUART Forum at Queen's University in Belfast, Northern Ireland.

Reinecke, D. R. (2011). The Sage Colleges' online programs. Presented to the Hawaii Association for Behavior Analysis, Honolulu, HI.

Reinecke, D. R. (2011). Response to challenging behavior. Presented to the staff of the Office of Family and Children's Services, as part of the Public Workshop Program, New York, NY.

Reinecke, D. R. (2011). Keynote address: Prompting for independence. Presented at Building Partnerships to Promote Independence for Students with Autism, Heartland Area Education Agency, Ankeny, Iowa.

Reinecke, D. R. (2011). Response to challenging behavior. Presented to the staff of the Office of Family and Children's Services, as part of the Public Workshop Program, Red Hook, NY.

- Reinecke, D. R. (2010). Anxiety issues in children. Presented to the Manhasset Parent Association for Special Education, Manhasset, New York.
- Reinecke, D. R. (2008). How to use reinforcement to improve behavior and learning. Presented to the ARMS Global Autism Conference, Brisbane, Queensland, Australia.
- Reinecke, D. R. (2008). Teaching play and social skills using behavioral methodology. Presented at the ABA Expo, Lizard Children's Centre, Sydney, NSW, Australia.
- Reinecke, D. R. (2008). Moving towards independence and self-management. Presented at the ABA Expo, Lizard Children's Centre, Sydney, NSW, Australia.
- Reinecke, D. R. (2004). ABA in real life. Presented to the Barry and Florence Friedberg Jewish Community Center preschool and afterschool programs, Oceanside, New York.
- Reinecke, D. R. (2003). Taking the trial out of discrete trial learning. Presented to the Oswego County Autism Conference, Oswego, New York.
- Reinecke, D. R. (2003). The student is always right: Issues in reinforcer assessment and selection. Presented to the Oswego County Autism Conference, Oswego, New York.
- Reinecke, D. R. (2003). Taking the trial out of discrete trial teaching. Presented to FAITH, Glen Cove, New York.
- Reinecke, D. R. (2002). The student is always right: Issues in reinforcer identification and selection. Presented to the staff of the Little Village School.
- Reinecke, D. R. (1999). Behavior modification for children with and without disabilities. Presented to the Special Education Parents and Teachers Association of Oceanside, New York.
- Reinecke, D. R. (1999). Behavioral treatment of self-injury in adults with disabilities. Presented to the Psychology-Social Work team of United Cerebral Palsy Association.
- Reinecke, D. R., Beckett, S., & Rosen, C. (1998). Structure and functioning of a preschool applied behavior analysis program for children with autism. Presented to the Training Committee of the Central Based Support Team of the Board of Education, Brooklyn, New York.

K. Professional Presentations

Reinecke, D. (2015). Positive behavior supports for academic skill instruction. Presented at the 12th annual conference on Best Practices in the Education of Children with Down Syndrome in Brookville, NY.

Young, R. & Reinecke, D. (2015). Technology opens doors for students of all ages. Presented at the 12th annual conference on Best Practices in the Education of Children with Down Syndrome in Brookville, NY.

Newman, B., Reinecke, D., & Krokowski, A. (2015). Self-management for individuals diagnosed on the autism spectrum: The move towards mainstream and technology. Presented at the annual conference of the New York State Association for Behavior Analysis in Albany, NY.

Reinecke, D. (2015). The state of ABA in NYS: Current information about insurance laws and licensure. Presented at the third annual Sage Colleges Autism Conference, Albany, NY.

Reinecke, D. & Desando, N. (2015). On the path to adulthood: Supports for true independence in the real world. Presented at the annual conference of the New York State Association of Community and Residential Agencies, Bolton Landing, NY.

Reinecke, D., Cicero, F., & Napolitano, D. (2015). Applied behavior analysis in New York State: Updates and important news. Presented at the annual conference of the New York State Association of Community and Residential Agencies, Bolton Landing, NY.

Reinecke, D. & Russell, S. M. (2014). Mand training and building motivation. Presented at the annual conference of the New York State Association for Behavior Analysis, Saratoga Springs, NY.

Reinecke, D. & Caminos, M. (2014). Using technology to support learners with special needs in higher education. Presented at UBTech, Las Vegas, NV.

Reinecke, D. & Caminos, M. (2014). Using technology to meet special needs at college and beyond – SIG update. Presented at the second meeting of Special Interest Group: Using Technology to Meet Special Needs at College and Beyond, at UBTech, Las Vegas, NV.

Reinecke, D. & Russell, S. (2014). What do you want? Teaching individuals with autism to request. Presented at the second annual Sage Colleges Autism Conference, Troy, NY.

Reinecke, D. & Stolfi, L. (2014). Using technology to support learners at all levels. Presented at the second annual Sage Colleges Autism Conference, Troy, NY.

- Reinecke, D. (2013). The Achieve Degree: An example of technology for individualized learning. Presented at the Second Education Conference of the Association for Behavior Analysis International, Chicago, IL.
- Newman, B., Speares, E., & Reinecke, D. (2013). But would you do it that way? Presented at the annual conference of the New York State Association for Behavior Analysis, Saratoga Springs, NY.
- Reinecke, D., Stolfi, L., & Caminos, M. (2013). Using technology to support learners with cognitive disabilities in online environments. Presented at the Teaching Professor Technology Conference, Atlanta, GA.
- Reinecke, D. (2013). Supporting student research in an online graduate program. Presented at the annual conference of the Florida Association for Behavior Analysis, Daytona Beach, FL.
- Russell, S. & Reinecke, D. (2013). Rates of language acquisition across different teaching methodologies. Presented at the annual conference of the Florida Association for Behavior Analysis, Daytona Beach, FL.
- Reinecke, D. R. & Stolfi, L. (2013). The Achieve Degree: An example of technology for individualized learning. Presented at the first meeting of Special Interest Group: Using Technology to Meet Special Needs at College and Beyond, at UBTech, Orlando, FL.
- Ahearn, W., Reinecke, D., Stolfi, L., Finn, L. L., & Lipton-O'Connor, J. (2013). Expert panel discussion. Presented at The Sage Colleges Autism Conference, Albany, NY.
- Reinecke, D. & Stolfi, L. (2013). Technology for students with autism at all ages, including post-secondary education. Presented at The Sage Colleges Autism Conference, Albany, NY.
- Stolfi, L. & Reinecke, D. (2013). What ABA is and isn't: Clearing up the myths. Presented at The Sage Colleges Autism Conference, Albany, NY.
- Reinecke, D. R. & Finn, L. (2012). Effective strategies in online education. Presented at the annual conference of the New York States Association for Behavior Analysis, Saratoga Springs, NY.
